

Drawing Hairstyles

- ✓ Hairstyles tend to date quickly, observe new trends and collect references from the latest fashion magazines.
- ✓ Use the figure template as a guide only. Sketch freely over the impression of the figure.
- ✓ Create the image you require by suggesting the correct pose, face, hairstyle and accessories.

Sketch book: Sketch faces and hairstyles from a model or magazine photographs, observe the new styles as seen in fashion magazines and on the catwalk. Make notes and observation sketches in your sketchbook for reference. Tonal sketches of heads produced with very soft pencils 3B for shading to HB for finer details.
