

The Young Shakespearians

“A MIDSUMMER NIGHT’S DREAM”

WHAT DO YOU THINK?

Do you agree or disagree with the following statements? Why? Why not?

One person in a couple should lead, and the other should follow.

The mortal world, the natural world, and the supernatural world are nothing alike.

People become irrational when they are in love.

Women talk more than men, and men are less faithful than women.

Dreams have nothing to do with waking Life and the two should not be confused.

Men should pursue women; women should not pursue men.

We should marry who our family decides, not who we want to marry.

Art and theatre do not and/or should not reflect real life.

It is OK to lie or “trick” someone to get them to fall in love with you.

True love is forever.
